GENDER-BASED VIOLENCE ACROSS THE SDGs

Activity Worksheet

Gender-based violence (GBV) is a **Global Emergency.** It is affecting every single aspect of life and the achievement of the UN Sustainable Development Goals (SDGs). This activity will help you demonstrate to others how GBV disrupts the achievement of the SDGs and, in turn, destroys the world.

Below are the 17 SDGs - find data from your country to discover how they intersect with GBV. We suggest you complete this after viewing Aura Freedom's #EndGBVToAchieveSDGs Infographic available at aurafreedom.org/relentless-resilience/gender-based-violence-and-the-sdgs

We hope this inspires you to continue the fight against gender-based violence!

How does GBV prevent the achievement of the SDGs?
Provide statistics that are specific to your country or region.
